

CHILD OF GOD

© Barry Hanson

Child of God, the Lord is with you,
He's living in you, deep inside.
Child of God, Jesus loves you
He's smiling on you, precious child

He's created you for a purpose
For touching people's lives
I know that God is with us
'Cause I can see Him in your eyes
My heart rejoices in me
With every word you speak
I hear God talking to me
As deep cries unto deep

Child of God, Jesus loves you
He's smiling on you, precious child
Child of God, There's no one like you
The way God made you, let your light shine

He's created you for a purpose
For touching people's lives
I know that God is with us
'Cause I can see Him in your eyes
My heart rejoices in me
With every word you speak
I hear God talking to me
As deep cries unto deep

Child of God, Jesus loves you
He's smiling on you, precious child
Child of God, There's no one like you
The way God made you, let your light shine

Oo-oooo, I see Jesus in you
Oo-oooo, His spirit shining through you
Oo-oooo, I hear Jesus in you
Oo-oooo, His spirit speaking through you
Oo-oooo, I see Jesus in you
Oo-oooo, His spirit shining through you
Oo.....oooo.....

Child of God, There's no one like you
The way God made you, let your light shine
