Em Esus Em Esus
If I told you that I could guarantee
You could have everything that you need
Never worry what tomorrow brings
Because the Lord supplies you everything

PRE-CHORUS: A6

Would you leave..... the past behind?
Would you leave..... old ways behind?

CHORUS: A6

Leave it all to Jesus, Let Him re-arrange your life
Leave it all to Jesus, He will always lead you right
Leave it all to Jesus, Follow Him, don't look behind
Leave it all to Jesus, He can give you peace of mind
Oh yeah.... Ooo, Ooo yeah

Em Esus Em Esus
If I told you that I could guarantee
That you could live your life in harmony
Take all those things that bring you stress and strife
Replace 'em with a brand new way of life

A life of freedom and security
