

# NOBODY ELSE BUT JESUS

© Barry Hanson

---

1. Who made the sun and the stars shine?  
Who makes the seasons stay on time?  
Who keeps the rivers a-flowin'?  
Who fills the sea and the ocean?

Who made the mountain stand so tall?  
Who made the mustard seed so small?  
Who made the man and the woman?  
Who gave them lovely children?

Who makes the flowers bloom in spring?  
Who makes the children dance and sing?  
Who makes a smile out of a frown?  
Who picks you up when you fall down?

Who is it who really loves you?  
Who'd even lay down his life for you?

2. Who helps you keep it together  
Through the rough and stormy weather?  
Who never-ever will leave you?  
Who lifts you up when you feel blue?

Who always comes when you call him?  
Happy to help with your problems?  
Who can give everything you need  
To make you happy and care free?

Who can help you out of each mess?  
Who can heal all of your sickness?  
Who loves you even when you're wrong?  
Who helps you understand this song?

Who is it who really loves you?  
Who'd even lay down his life for you?

CHORUS: NOBODY ELSE... BUT JESUS  
NOBODY ELSE... BUT JESUS  
THERE'S NOBODY ELSE... LIKE JESUS  
NOBODY ELSE... LIKE JESUS
