

SOMETIMES

Sometimes I get the feeling
I just don't know what to do
That's when the Holy Spirit comes
To help me make it through... Make it through
And sometimes when I get depressed
Darkness hides the way
The Holy Ghost comes shining through
To brighten up my day... my day

Some – times – when I'm – alone ...
So far – away – from my home ...
That's when – I fall – down on – my knees
And I spend – some time – with You ... With You – etc.

Sometimes I get down on my knees
But don't know what to pray
So I just listen quietly
To what He has to say... to say
How many times have troubles come
a- knocking at your door?
You just tell 'em: "Jesus lives here,
Don't come 'round no more"... no more

Some – times – when I'm – afraid ...
I fear– I lost – my way ...
That's when – I fall – down on – my knees
And I spend – some time – with You ... With You – etc.

Sometimes that giant's way too big...
My faith way too small
I fear no evil 'cause I keep my eyes
Up-on the cross... The cross
And every now and then the devil
Tries to knock me down
But Jesus comes to pick me up
Before I hit the ground... The ground

Some – times – my spirit flies ...
Above – the clear – blue skies ...
That's when – I fall – down on – my knees
And I spend – some time – Thanking You ... Thank You – etc.
