## **CHORUS:**

STAND! We will stand, We're not afraid,  
Because we're standing in the armor of God !  
We will stand, We're not afraid,  
Because we're standing in the armor of God ! ..**Hey!** ...Of God!

1. Sixth chapter of Ephesians, God gives you all the reasons  
The devil always flees when he sees you on your knees  
He trembles and he shakes, man, he made a big mistake  
To think that he could take you when you're standing next to Jesus  
Hello....

We Will Stand... etc.

2. We are not unaware... of Satan's evil tactics  
He tries to tempt us everyday... makes sin look so attractive  
Just lift up, the shield of faith, to quench the fiery darts  
The breastplate of, His righteousness, to fortify our hearts

*STAND...*

3. So put on your shoes, and take the good news, all across the nation  
Satan's shakin' in his boots, God made us bulletproof  
With the helmet of salvation... So pick up your sword,  
Speak the Word of God, and watch the devil run and hide !  
Ain't nothing he can do, whip him with the belt of truth...  
Hey, God is on OUR SIDE (AMEN?)

*Wo- Wo- Wo- STAND...*

4. We will stand with our hand in the hand  
Of the man who calmed the sea...  
We will stand with our hand in the hand  
Of the man who died for me...  
We will stand with our hand in the hand  
Of the man who calls us friends...  
We will stand with our hand in the hand  
Of the man whose love never ends...

*STAND...*
