

VICTORY

© Barry Hanson

1. I can do all things through Christ who strengthens me (4x)

So be strong in the Lord, and in the power of His might
We are more than conquerors in Jesus' name
It's not by power, It's not by might,
But by the Holy Spirit we fight the good fight
Jesus' precious blood — has given us the victory...

CHORUS:

VICTORY ... He's given us the Victory

VICTORY ... Jesus gives the Victory

OHH... OH OH - OHH... OH OH - He's given us the Victory

OHH... OH OH - OHH... OH OH - Jesus gives the Victory

2. God can make all things ... possible for you and me (4x)

With just a little mustard seed of faith
You can do anything that you believe
You can make that mountain jump into the sea
And when you're walking through the valley of fear
You don't have to worry... 'cause God is right here
Jesus' precious blood — has given us the victory...

CHORUS

BRIDGE:

And when God is with me.... Whom shall I fear?

Nothing makes me afraid... when He is near

'Cause I just call His name... I know he hears... My plea...

Jesus Rescue Me....

OHH... OH OH - OHH... OH OH - He's given us the Victory

OHH... OH OH - OHH... OH OH - Jesus gives the Victory
